“ *Dear Cousin, sister, me kitten: I always told you that I would get you where we're going, and I hope you could depend on me. But, I have to let you go this way on your own. The world has shifted a little this week and I can't remember too many holidays, especially Halloween without you, even got you to the "holla" this year. Louise you sure also kept the memory of our Togni aunts front and center. It took all those aunts to raise us I guess, but you were their favorite. Dear Marie and family, my thoughts and prayers with you at this time. Peace family.*

“ Many years of you, Rita & Mom living upstairs of us(always thought I was another Togni family member) memories of us going to see our buddy Ron Mazzochi at his camp-good food-some drinks & lots of laughs-also sharing Halloween & New Years Eve with the"usual suspects"-these are the things I will always remember.

Love ya'
