“ Dear Mary and family,

I was so saddened to read about your dear mum's passing, she was such a special person, I can't tell you how much I loved her. I met Louise in 1988 when I first came to Solvay with my father and I must tell you that she was one of the most beautiful persons I have met in my life. I will never forget her smile, she was always so sweet and happy. We always stayed in touch and I still have all the letters that she wrote to me. She had a special love for my father and also for my mother, I hope that now they can meet again where they are... I try to imagine how happy they will be to see her..

Please accept our deepest sympathy, I'm sure she'll always be with you anyway and you can be proud to have had a mother like her.

Good bye dear Louise, you will be in my heart forever, may you rest in peace my darling..

I love you so much!

“ *Mary, Scott and the family of Louise,
I'm so very sorry for your loss. As you know I
grew attached (as did many others) to your
mom while she was here with us and my day
wasn't complete without seeing my Weezy!
Her smile was always something that no matter what kind of day I
was having would instantly change my mood. I can tell you the halls
here will not be the same without her in them. I know she is in
heaven telling everyone how beautiful they are. Thank you for
sharing her with us! May you find peace in knowing she is now
watching over all of you and will continue to do so even though she
is no longer present. Carry her memory with you, I know I will.*
