*I'm very thankful to have been a part of my cousin Marie's life. We grew up together, along with her sister Donna. Marie was like a big sister to me. Always giving me the best advice, in the most down to earth ways. I lived most of my adult life in the State of VA, but when my parents retired and moved back to Syracuse, NY, I had many opportunities; summers and holidays to visit with her. We all loved Marie. She could always lighten anyone's day by adding a little humor. I know she is resting in peace with her family in heavenly places. I will always carry the fondest memories of her in my heart.*

“ Dear John, I was very sorry to read the obituary for Marie. She and I graduated from The Convent School together. I remember her fondly as a very good student who had quite a different sense of humor and loved to smile. She always talked about becoming a nurse and serving in the armed forces. I was happy to see that she achieved both her goals. May she Rest In Peace. I will remember both of you in my prayers. With sympathy, Mary Ann G.

“ Dear John,

*Just found out about Marie's passing - unfortunately, too late to attend her services.*

*I had the privilege of meeting Marie through the Zonta Club of Syracuse, where Marie was a dedicated member for many years. She firmly believed in the empowerment of women. Beneath her sometimes surly veneer was a sweet, caring, smart individual. I bet she was a good nurse too. May her memory be a blessing.*

“ Marie would visit our family every year when I was young and I remember many fun times. As I got older I wanted to follow in Marie's footsteps and become a nurse. Marie shared tips and tricks to survive nursing school and mentored me through the process. Marie holds a special place in my heart. A great person and cousin
