“ *I knew Mark from our high school days. I was pretty quiet in school and Mark was one of my friends. I always enjoyed talking to him. If I remember right, he wanted to be a state trooper. I also have tried to find him thru the years, to no avail. I am really saddened to hear of his passing. Sorry we never reconnected. My condolences and prayers to his family.*

“ Mark was a good friend in high school. I hate that I lost track of him after high school. I thought of him often & wondered where he was. Mark was a very sweet & kind person. I am blessed to have called him a friend. Love & Light always Mark 🙏🏻✝️

“ Mark was a much beloved member of the Class of 1972, Cicero High School. We had quite the clique back in the day and oh the fun we had. Several of us tried to find his whereabouts over the years and sadly, we never reunited with him. We surely didn't want to find him this way. Know always Mark that we loved you, missed you, and searched for you. We have such wonderful memories of you. Rest in peace my dear friend.
