“ *Martha, i can't believe that you've left us. I can still see that infectious smile that I thought was your trademark and will live on forever I can still remember that same smile walking through the halls of the school perhaps getting a glimpse of it as you passed by. I am extremely sad that many other people will not be afforded the gift of your heartfelt smile. Thank you for the brief hellos" Too many memories flood to the top*

We were shocked, saddened and felt terrible to hear about Martha's passing. We will always remember Martha as such an easy going, happy good person who always had a smile on her face! We feel lucky to have called her our Friend!

We were all rooting for Martha's recovery after her heart surgery & we were hoping to somehow get together the next time we were in town!

Martha you were the best and may you Rest In Peace!

“ I was so lucky to have met for the first time and experienced her 60th Birthday with Martha last year. She was so welcoming, kind, and accepting of me. I got to again spend time with her at the lake house this past 4th of July. I am fortunate to experience what time I had with her and the family. She was and still is an important part of who we all are and our continuing journey. I'm deeply sorry for your loss.

“ Joe and family my prayers are with all of you during this difficult time. Martha was a very dear friend of mine for over 25 years. We worked together at Pass and Seymour for many years. We became good friends and unfortunately I moved away to South Carolina 22 years ago. Even though I moved away our friendship remained and it was a friendship that we could go months without talking and it was just like we saw each other yesterday and picked right back up where we left off. I'll miss her dearly and heaven definitely has a blessing up there now. Prayers are with all of you and for my dear friend whom I'll miss greatly!!

*Joe, Sara, Joee, Ellen, Rhonda, & Steve
The love, the happiness & wondrous memories we have all shared with Martha will last us the rest of our lives. And somewhere over the rainbow in God's special paradise she will be safe, in peace and with her mom and dad , carol and Johnny, just chillin' on God's Heaven in peace waiting until we all meet up again! I made a promise that I would always be here for Martha as long as I was alive and it includes her family. I am always here when you need me! Wishing you love and peace and the comfort of family and friends to help you through some of the toughest days. With Love and for Martha!
