“ *I'll never all the fun I had as a child in Lakeland at the Panighetti house! The fun times with Terry will never be forgotten. Mrs. Panighetti was always so sweet to me. She let us swim in the pool and Terry and I would use the front lawn by the road to play combat when a car rounded the corner!!! We had so much simple fun. 😊 I'll never forget all those happy childhood memories with your family. She made it special.*

“ Mrs. Panighetti as I knew her.....where do I begin. She was such a loved mom in the Lakeland neighborhood when I was growing up. I always remember her smile and her laugh, it was hers and hers alone. My sister Mary Ann and I used to walk over to her house to play with Kathy, Chris and Terry, and I have so many memories of all of us playing in either their yard, my mom and dad's yard, or across the street "in the bend". We played so many softball and kick ball games "in the bend" with all of the neighborhood kids, where we could play all day and night and not come home till it was dark. We had picnics outside, played tag, played records on our little portable record players, sitting under the tree in the front yard of the Panghetti's house, wow, such fun times. I still vividly remember when we were told at the front door of my mom's house that Mrs. Panighetti was pregnant again for the 5th time!! We were so shocked, and then along came Ricky, and my mom ended up becoming his Godmother. I have such fond memories of the family and of all of our childhood and school days, right through graduation from high school. Mario and Mary Ann were always so in love and the sweetest couple. My condolences to the entire Panighetti family. Heaven has opened it's doors to a wonderful lady.
