Mary Ellen did so very much for our Plank Road Quilt Guild. She was always there to say yes for whatever needed to be done; and she did it quietly and without expecting thanks or praise. I have never seen anyone who could knit like she did--could talk and knit patterns without looking! We shall miss her smile and enthusiasm for quilting and friendship.

My dear cousin, you were taken so young. Living so far away, we rarely got together, but I have many great memories of when we were young, when our families got together often. God bless your family.
