*My most cherished childhood memories are shared with Nicole. We cried and we laughed together. She always challenged me to new heights. She was blessed to live her dream we fantasized about as kids. She was a great athlete and a fierce competitor! Her greatest achievement by far is finishing the race that was set before her. Well done Nicole! Thank you for friending me that day when you and Tony walked into church. Since that day you have always been such a good example of Christ. Meet me at the pearly gates, my friend! Forever in my heart. Pam (Mazur) Palladino*
