“ *Phyllis was a great salesperson. I went to her for many years when she worked at David's. She was always a big help and picked out great outfits for me. One black velvet jumpsuit that my daughter loved and wore years later. RIP Phyllis see you again someday on the other side.*

“ Dear Debbie and Donna and family. I just want you to know that I have many wonderful memories of the years I spent with your mother. Loved going to the casino and of course playing cards. She was one of a kind . I'm sorry I didn't get to see her much in the last few years, only playing cards a few times.

“ I'm sure i don't have to explain what your mom meant to me. She was my second mother and we would spend hours talking when we connected. I will miss her terribly-just know the girls are having an epic card game and a round or two of golf at least. so so so sorry
