“ *I just found out about Gina's passing. I worked with her in Health Ed at Community Hospital where she was a faithful volunteer. Gina was a woman of grace and class and it was my honor to know her. I am sorry for your loss. I know her deep faith has been her strength over the years and she is with the Lord in peace. ~Christine Arabik.*

“ *Heaven gained another angel. Gina was like another mother to us in the neighborhood growing up. She even let our two cats, Fluffy and then Chow Chow into their home to take naps on the back porch when they needed them! Prayers to the family.*
