“ I am so sad to hear of Renee's passing. Such a beautiful person with a generous, loving heart. I was always praying that she would feel better, and hopefully now she does. Another angel in heaven. I will miss you Renee.

Every time I saw you Renee, whether it was at Steve's or The Fair or Apple Fest you always made me laugh. I am going to miss you. Thank you so much for the bird house you so lovingly made and brought to me at camp. Every summer I will think of you when I hang that up for the birds to enjoy; it makes me smile knowing how many birds will be happy to live in that beautiful little house that love built. Rest easy girl, and be at peace.

*Love,
Martha*
