Donna, Richelle & family. I am so very sorry for the loss that you are all feeling. Richie was the best! He loved his family with all that he had. Richie loved life, he was always happy and willing to help anyone in need. I met Richie at camp, a place that he truly loved. That first summer he came, he was so excited to be there. I don't think he ever lost that feeling all these years later. Richie you will truly be missed in life, rest easy my friend.

Your sharp wit and little squinty eyes will be missed forever. You would always make my day screaming "GOOD MORNING FIACCHI" as I would lumber in at 6:55 rubbing my neck. You left an indelible mark on everyone who had the pleasure to know you. The highway department and USW LOCAL 14532 will never be the same without you. Until we meet again my friend.
