“ *I am so very sorry to hear of the passing of Mr. Voss. My heartfelt condolences to Mrs. Voss, Kim and Rick. Such a nice man! I used to work with Kim and spent some fun times at her parents home. We had lost touch, but I think about the family often. Kim was there for me when my parents passed. Wish I had known. Prayers and hugs for all in this time of sorrow. May he R.I.P.*

“ *I am so sorry to hear of Dick's passing, he was a very unique individual. I got to know Dick when we use to work out at Pine Groove. He was more of a social director then anything else, to say he was a people person is an understatement. He always had good things to say but he also took time to listen. He would organize Wednesday get togethers at Limp Lizard, one would think he must of been part owner.*

“ I fondly remember Richard as a co-worker and friend in the mid 60's. He helped me navigate me through my employment. It has been years since we were in each others company but he is one of those individuals that you never forget. May the memory of his name be eternal. Rest in peace.
