“ To the Barreca Family: Our most sincere condolences to you on Bob's passing. He was a kind, dignified and personable man. From his days running the Green Front with his brothers all the way to finishing up at Wegman's Western Lights, you would be hard-pressed to find anyone who had a bad word to say about Bob, ever! Even in his later years, he could outwork the much younger people who were his co-workers by a mile! We always enjoyed running into Bob for some of his words of wisdom. May all his good deeds follow him into Heaven and may he Rest In Peace

“ To The Barreca Family, Bob was a wonderful gentleman from a great family. My whole family and I have great memories of going to the Green Front Market almost every day. Johnnie as you may recall, we would have a list from our mom to get fresh ground beef, freshly sliced cold cuts, an ice cream bar for the walk home, and you guys always provided a free piece of bubble gum or candy. He made great memories for us all. RIP Bob. The Kinsella Family, Charles Ave., Solvay, NY
