“ *Bob was nothing short of an expectational man. His memories and mentoring he shared with me and my family will never be forgotten. Extremely kind, generous, and wise. Bob was our family CPA since he graduated college. Started with my grandfather and made it to 3 generations. Could trust him with anything and thought of him as family. No doubt he will be missed by the many people he shared his life with. - John Peter*

“ *Uncle Bobby was always that favorite uncle that was a combination smart, cool and good natured. He was the uncle you aspired to emulate. Many people never have an uncle like Uncle Bobby, but I was fortunate enough to have him in my life for almost 70 years.*
