“ *I had the distinct pleasure of working with Bob at Niagara Mohawk/National Grid in Syracuse for many years. We then worked together in Georgia for TRC and had many an adventure. He was gentle and kind, and loved our dog. We shared time together repairing his cars and upgrading his work space. We enjoyed going to the Nationals together a few times. We looked forward to trips to Rudy's in Oswego with our wives Pat, and Maureen. I will miss our phone calls. Bob was a good friend, and loved his family. Condolences to all.*

“ Pat, Matt, and Steve, Nancy and I want you to know that our thoughts and prayers are with all of you. I really enjoyed the years that Bob and I worked together, he left a forever impression on me. He always had that great smile and an even greater heart. All of our conversations seemed to include hot rods and dogs. I always looked forward to the Syracuse Nationals and visiting with Bob sitting by the pond. He was a great friend and we will miss him dearly. There are a few people in our lives whom we truly love, Bob was one of them. Rest in peace Brother. Paul and Nancy Grabenstetter

“ I have been friends with Bob & Pat for over forty years. We raised our sons together, vacationed together and soon best friends became family. We were always included in the Zingaro holidays when our family lived far away. Bob was a kind, nurturing man who loved his family above all. He will be greatly missed in my family's life and in mine.  
Pat, my deepest sympathy and please know that I will be here for you for whatever you need.

“ I first met Bob and Pat at my nephew Michael’s wedding in Chicago. My first impression was that Bob was a kind and gentle man. The next time we spent time together was celebrating on Virginia Beach at my nephew David’s wedding. Bob and Pat and Barb and I walked the boardwalk together. We realized then his love for life and people as we watched the kids play wiffle ball in the sand. Bob and Pat are truly part of our family.

*Pat, we hope that knowing others share in your grief will bring you some comfort.*

*A great soul will be missed!*

“ I met Bob 2 years ago at Rock Steady Boxing. We became friends and boxing partners. Bob was a competitor as I was and we hit if off immediately. Bob was a good man and a good friend - I will miss my boxing buddy. Today at boxing we gave Bob the customary 10 count for a fallen boxer - there wasn't a dry eye among Bob's many friends. Rest in peace buddy.

“ Sorry for the loss of another good man. Worked with Bob at Nimo for several years. He was an excellent technician. He also found the time to be a dedicated member of the Solvay F.D. His kind are sorely missed.

“ My heart aches for the loss of my good friend Bob. We have been best friends since 1969 when we met at JCC. Although we lived apart, our friendship grew as our families grew. We vacationed together and usually stopped for an overnight with Bob and Pat on our way to Massena to visit our family, always welcomed with open arms. I was usually involved with numerous car purchases Bob made (sorry Pat). In recent years, Bob and I would have nighttime chats during an SU game or just sharing feelings, both good and bad. Bob's diagnosis threw him a curve but he met it head on. He was worried about the debilitating future but never complained. He loved Pat unconditionally and was so, so very proud of his boys, Matthew and Stephen. I'm confident they will carry on his legacy. I will never forget this kind and caring man. He loved being a grandfather, training another future firefighter. After we solved all of the world's problems on the phone, we would sign off by saying "I love you brother." "I love you too". No truer words were ever spoken. I miss you Bob.
