“ *Phyllis & Lenny, Though I am saddened by your loss, I am sitting here looking at your Mom's picture, and I can't help but smile. She was a force to be reckoned with. and at times, so funny; so many, many memories. She was not just my aunt & godmother, but truly one of a kind. All the sisters and brothers are together now.*

“ *Hi Phyllis and Len,  
I was saddened to learn of the passing of your Mom (affectionately called Aunt Rose by my brother and me). She was blessed with a long life that certainly deserves to be celebrated. It has been many years since the two of you and I have seen each other. But I did have the opportunity to have a long talk with your Mom at my father's funeral in 2008. We talked about everything from her childhood days with my mother to the war years when I was born and both of our fathers were soldiers stationed overseas. We caught up with current times and shared stories about both of you and your families as well as my children and grandchildren. Your Mom was the same delightful lady that I have known my entire life. I now live in Virginia near the kids and grandkids so I will not be able to attend the funeral services. Be assured that your Mom will always be a part of my heart.*
