“ Tom and family,  
I am so sorry to hear about the passing of your Mom. I still have great memories of her and your Dad. Both of them were very nice people. Sorry this message is late, I just heard of her passing.

“ Tom, Mary Ellen & Joannie:

She was an exceptional loving, kind generous person to all. When I was a young kid I recall my Dad bringing me to Louise's Market in Solvay to visit her. She always gave me goodies to eat and take with me. I was always welcomed at my Uncle Tom and Aunt Ro's house. I remember sharing many holidays with my Solvay relatives where Aunt Ro was involved in the fun and food.

She will be much missed!

Our Thoughts & Prayers to all her relatives & friends

I just found out about Rose's passing; I just want to express my sincerest sympathy to her family. She was my brother's and my Godmother ((we were twins); and Tom our Godfather. My mother was Sue Louise and my father was Charlie Louise. We use to visit them every year as we were growing up - especially at Christmas time. I vividly remember all those wonderful visits. As my brother and I grew up to be adults, our lives changed; my brother lived in Buffalo and I lived in Syracuse most of the time. So unfortunately as often happens as the years went by, we did not keep in touch. My cousin (Joyce) lived next door to Rose and i often asked about her but never got the opportunity to visit her; which I regret. I will keep her in my prayers and also will keep the family in my thoughts and prayers. May God bless all of you.

“ Tom, Mart Ellen, Joannie and family,  
I'm so sorry for your loss and my thoughts  
and prayers are with you. I have many happy  
memories of Rose over the years including  
Christmas Eves at Tom and Mary Ellen's,  
inviting my family to numerous Sunday dinners at her house She  
was an amazing cook and always insisted we eat more. One of my  
favorite memories is of her delicious homemade blueberry muffins  
She made them often for us and they were the only ones my  
daughter Mary would ever eat No one made them like Grandma  
Rose. Happy Mother's Day Rose. You were so loved and will be  
missed.

“ Tom, Mary, and Joanie,  
I am sorry for your loss and know that Rosie will be missed by all  
that were lucky enough to have known her. I remember going to  
Louise's market and hanging out there when we were little and  
Rose was always so kind and generous to me. And of course all the  
holiday celebrations at your home and our funny Christmas  
exchanges where inevitably she would get the prank gift somehow.  
She was a good sport and I enjoyed our many conversations on  
those holidays.  
My thoughts and prayers are with all of you,

“ *I remember all the times my parents and Rose and Tom used to get together to go for long rides and go to Hyde's for a hot dog. I also remember how close Rose and my mom were. They always talked on the phone when they couldn't get together in person! I am so sorry for your loss! May God bless and be with Rose and with all her family 🙏*

“ *The two things that I recall most about Rose - she was a great cook - having dinner at the Mazzeo's was always a treat, she was a generous hostess -- the other thing that I recall is she was a snappy dresser - she was always dressed well with her hair impeccably done. One thing I know for sure is that she loved her children - Joan and Tom/Mary Ellen and then her grandchildren Mike/Cori and Nick and what a blessing, she was able to meet her beautiful great-grandson, Leo (we should all be so lucky). May she Rest In Peace - now with her beloved husband Tom.*
