“ Linda,

I can't express how extremely sad I am feeling but, Debbie and I have the deepest sympathy for you at "Ma" Salvetti's passing. As I reflect on the times I and all of our friends spent at your house, how gracious "Ma" was to us, it brings a tear to my eyes. In many ways "Ma" and "Pa" shaped all of our lives. I was going to light a candle for her but, there is no need to light a candle for her because her light will never burn out. As I am purposely late with this sentiment, I need Ma" to mark me on-time one more time, as she did so many times in high school.

*All of our love and sympathy to you and Janet.

“ Janet and Linda so sorry to hear about the passing of your Mother. When ever I saw her she had a lovely smile on her face. We lost two great Mothers this month. I know both are in Heaven looking down on us.

“ Rose and Don were special people in our Salvetti family. She was a lovely lady and i enjoyed visiting their home years ago. In fact, we could see it from our backyard. Janet and Linda, our prayers are with you now. Your Dad, my Godfather, will smile when he sees your Mom and say that he loves her. Ed. Salvetti and family
