“ To Shea's family and those so close you practically were, I am sincerely saddened by the news of his passing and very sorry for your loss. As I have stated several times, Shea always had everyone's back. He watched out for other people and reminded you to be open minded and just sit back and take in your surroundings. I will miss randomly running into him and catching up on all that has been going on. Such a kind, sweet soul we have all lost, as hr has touched so many lives. May he rest peacefully in mind, body, and soul. I am going to kick it back to our Junior Prom now.

“ *My beloved nephew, I observed your greatness mostly from afar. Now I see why I should have made every effort to come home to visit. Many times I used various excuses, but the pain of your loss greatly out-ways the sound of my excuses however valid or real. We would would have talked much about music as you did with my children. And about life and it's vast oddities. I am and always will be proud to call you family, I know I would have learned from you! May you rest in his bosom, peace be with you eternally! I love you!*

“*Shea joined the City Electric team 12 years ago. We all have wonderful memories of this kind and gentle man. Shea made friends with everyone. He enjoyed helping every department ... he was a problem solver and pitched in wherever needed. My favorite memory of Shea is the year he donated the annual Christmas Tree for Syracuse downtown Clinton Square. The lighting of ‘Shea’s Tree’ gave us the perfect reason for a party. We all gathered that night to watch the tree lighting and to thank Shea for his donation. We’re so very sorry, we will miss Shea dearly. Our hearts and prayers are with the entire Timmons family. Sandy Rosecrans and the City Electric team.*”

“ *Shea was like a brother to my son Patrick, always together for as long I can remember. Always respectful, quiet and wise. Shea was always part of the Conroy family-we really loved him. He will be missed but never forgotten. Speak of him often and hold him into your hearts. A true gentle soul just like Patrick now they are reunited hopefully watching over their family and friends. To the Timmons family, Erik and I certainly feel your pain of such a tremendous loss. They say only the good die young , so very true. Love and Peace to all of you.
