“ *Mrs. Hurst, Rob, Tina and Family,*

I am very saddened to hear about Steve. He was my first friend when I moved to Solvay and became like a brother to me for years. I have so many fond memories of him. We had a lot of fun together whether it was delivering papers together, being Rob's practice dummies so he could try the latest WWF moves, riding our bikes to the crick, playing sports at the "V" and later in life meeting at his shop and talking late into the night while he worked.

He was always a hard worker no matter what he was doing in life and will be missed by many.

My thoughts are with all of you during this difficult time.

*With Love,
