“ *Uncle Steve was a great guy that was always a pleasure to spend time with whenever we would come up to NY to visit the family. I enjoyed our conversations in the little bit of time I would get to see him and he was always there to visit us no matter what. I hope he is on the other side with his lovely parents, smiling big and finally pain free. He will be so very missed although we gained another wonderful angel. Until we meet again, we love you Uncle Steve and may you rest in peace!* 🙏🙏💔
