“ *Chuck and family I am so very sad for all of you. Sue and I lived near each other when we were kids and I have so many memories of her and her family. She had the best smile and was always smiling. We had lots of fun together around the old neighborhood. My parents and her parents were good friends so we saw a lot of each other back then. I am so very sorry for your loss.*

Chuck and Family,

I'm so sorry to hear that Sue passed away. We didn't always talk and see each other that often but when we did it was like we were never apart! We used to celebrate our birthdays at Twin Trees on Milton Ave. Sue was February 10th and mine is February 9th. We always joked that we could never forget each other's birthday!!!
