“ *Suzi. You epitomized the spirit of our class. We will always remember you for your beauty, your big smile and your crystal blue eyes. Your athleticism, intelligence, your "stage presence" (on and off the stage), your energy and your quest for fun. You loved your sunshine and the water - whether the ocean just down the way from your place in Carolina, or in simpler days, from the Lifeguard chair at Solvay Pool. We were all so happy to re-connect with you when you (finally) jumped on Facebook. And rest assured that when our time here on earth is through, we will reconnect with you once again in Heaven... We are sending big Bearcat hugs to you our childhood friend. We will never forget you. The Solvay High School Class of '83*

“ I am very sorry to see this sad news, she was so young. Suzy was a really great friend to me and many others all through high school. I will always remember her dancing and singing and really happy. She was a joy to be around. We spent a lot of time in her family's home, especially the basement listening to music and having fun. Sending prayers to the family.
