“ I’m so glad the meatballs were mentioned...to this day, I have never tasted a better meatball than the ones created by Mrs. B. I was fortunate enough to enjoy many of her kitchen creations, over the years, as she would often welcome friends and family into her home and around her kitchen table. I was even more fortunate to have her as a second mother to me, while growing up. There was never any doubt that she truly cared. I will never forget her. My thoughts are with the entire family.

To: Thomas, Jacquelyn, Emily, Caroline and Thomas.

Jacquelyn, My condolence on the loss of your mom. I remember fine conversations with Emily. Saying, “today I went to visit my grandma, and she’s having a good day. Moments when grandma would make her laugh and talk about the house grandma lived at and how she visited often. Emily remembers those precious moments. Those are memories Emily will cherish a lifetime. Jacquelyn, it’s so difficult to lose a loved one, especially so close as your mom. My heart goes out to you and the family and may the angels follows you through this difficult time. Thoughts and Prayers are with you all.
