“ I fondly remember when I first moved to the neighborhood, I knocked on a neighbor's door to see if there was a little girl to play with. Vicky greeted me with a smile and enthusiasm while telling me her daughter, Cathy, was in the back yard reading under the walnut tree. Cathy and I became close friends and we spent many days with each others family. Everytime time I went over to Cathy's house, Vicky would make us little sandwiches or snacks and always made sure I felt at home. For a petite woman, she smiled so big, she warmed your heart. I remember she was always in the kitchen... this is probably why Cathy and Judy are so good at cooking! I am grateful for first meeting and even more grateful for the last lunch date with Cathy, Vicky, my mom, my aunt and I. I brought a photo album from the childhood years and she truly loved seeing all the moments that were captured as much as Cathy and I did. She was a wonderful mom, grandma, friend and neighbor. Thank you for being such a big part of my childhood Vicky!! Love you!
