“ I am sorry for your loss. As a young accountant in industry, I provided Bill cost information for auditing government contracts. But, he was much more than an auditor. He was patient and took the time to teach and educate. He had a great personality and was just a good person. I will be forever grateful for having him assist in my career growth.
Blessings to the entire family during this difficult time.

Bill will be greatly missed. He was a sub in our BOCES classroom @ Camillus Middle School. He always loved to find out if he knew someone that you knew or related to, and he always did! I have great memories of Bill. I'm so sorry for your loss.
