“ Dear Ferne,
Please accept our heartfelt sympathy for Bill's passing.
Nick and I both so enjoyed going out for dinners and celebrating your Anniversaries with you and Bill.
Bill was a kind, generous, caring man with a sense of humor that we all enjoyed.....How cold does it get in the Klondike?
We will hold those fond memories in our hearts forever!
May God Bless you with peace and strength in the days ahead.
With love,
Mary Morton & Nick Ippolito

“ Dear Ferne and Ron,
We are very sorry for your loss of Moose. From the first time we met him he treated us like long time friends and neighbors. He was extremely helpful during the construction of our home. We will never forget the frequent telephone construction updates from "The Moose". We loved hearing his stories about hunting and fishing. We easily shared his love of dogs and nature. The way he shared his stories of watching nesting wood ducks and other animals made us feel like we were right there with him. He was a special friend and neighbor. We miss him very much.
With deepest sympathy,
Pam and John Ranalli

Dear Ferne I am extremely sorry to read of Bill's passing. Ironically today I came across a Christmas envelope from 2016 with your name and address that I was saving. The intent was to write you guys a letter thanking you for not forgetting me at Christmas even after Charlie's passing with your lovely cards and adventures. Needless to say I never did. Today I decided to attempt and find you on Facebook and came upon the obit. A day late and a dollar short as the saying goes. Again I am so sorry for your loss. May he Rest In Peace. Lu Vitale
