“ Dear Grandpa Flask,
My name is Gabby Liedka and I am 10 years old. My dad is Bill Liedka, your son. For so long, I wanted to meet you, but I didn't get a chance to. I wish I had more time so I could have met you. I wanted you and my dad to meet so you both could talk about your feelings and not be sad anymore. I never knew you were a race car driver, and you were good at it and that you worked a long time at your job. I am proud of all you have done. I hope to bring my dad to the funeral home so I can meet my uncles and cousins and talk about you. I'm glad I got to see a picture of you. Love, Gabby

“ Grew up with the Flask family, hanging at their house and slot racing with him and John. I lettered a couple of Billy's race cars, and helped out when I could on the race car at Brewerton speedway. Going to miss a great lifetime friend. RIP Billy.
