“ As we all called him Head Ted. I met Billy at Crucible Steel he was one of the first guys to come up to me when I went to Bar Finish . I see this tall, skinny, bushy hair guy with a smile on his face and he says Hi am head Ted. Well that hello brought a friendship for 20 years. I left in 1999 and had not seen him again. At Crucible we played softball, bowling and golf in our league. Teddy was our captain. He loved that position.He had a heart of gold and would help anyone out.As usually on 2nd shift on Thursdays we go out after work he introduces me to a girl from his neighborhood that girl ended up my wife. I have so many stories with Billy that make me smile when I replay them in my head. Even thou I have not seen Billy in 20 plus years my wife and I always thought of him. Teddy you were the best. RIP till we meet again brother.
